in depth studies of the health care systems of Britain and France

How they operate and what they mean to users and to people who work in them.

Britain's health care system is predominantly nationalized. France offers its citizens a national health and social insurance plan. These comprehensive references cover each system's evolution...operation...application... problems...achievements...and personnel.

The French Health Care System (OP-460) costs \$3.50; **The British Health Care System** (OP-461), \$7.50. The set is \$10. To order your copies, write **Order Dept., AMA, P.O. Box 821, Monroe, WI 53566. Allow 4-5 weeks for delivery.**
